

Snake rescue at TPSSL!

Mr. Divakar Reddy from Tata Power Solar helped rescue a snake from TPSSL manufacturing plant. He then released the snake in the nearby forest area.

Great work!

Benefits:

Reptiles play an important role in the natural environment and food webs.

Green hero:

Divakar Reddy

Making Haldia greener!

Haldia team participated in a tree plantation drive on 5th June, 2020 on the occasion of World Environment Day. The motto behind this mega initiative was to reduce air pollution in Haldia industrial area. The drive was organized under the supervision of Mr. Amalesh Chatterjee – CSR and Mr. Subhojit Ghosh – HR & Admin. A group of enthusiastic employees planted more than 100 saplings. The drive was a huge success empowering Haldia employees with substantial knowledge on environment, plants and simultaneously enhancing their social skills.

Kudos to team Haldia for your efforts!

Benefits:

1. With careful planning, trees can be an asset to the entire community.
2. Trees improve air quality by filtering harmful dust and pollutants such as ozone, carbon monoxide, and sulfur dioxide from the air we breathe.
3. Trees reduce the amount of storm water runoff, which reduces erosion and pollution in our waterways and may reduce the effects of flooding.

Green heroes:

Chatterjee Amalesh, Rama Chandra Reddy Butcha, Debashis Barik, Tapas Mandal, Arup Majumder, Subhankar Khatua, Subhojit Ghosh and Probir Paul

Tree Mitra from Transmission projects!

The World Environment day was celebrated at Versova site by planting saplings of Neem and Indian Gooseberry. Employees from Civil & Estate, Transmission projects along with contract team were present during the event.

Great work!

Benefits:

Environment day celebration brings awareness and create a sense of environmental protection among the people.

Green heroes:

Ashish Japtiwale, Dhiren Pandya, Naval Mishra, Viral Thakore, Prem chandra, Wasim and Neeraj

Making green corner at home!

Paromita Chatterjee, wife of Biplob Chatterjee from CGPL – EMD, planted some saplings at her residence (Aashiyana- CGPL Township), for clean & green environment.

Good work!

Benefits:

- Boost mood, productivity, concentration and creativity.
- Reduce stress, fatigue.
- Clean indoor air by absorbing toxins, increasing humidity and producing oxygen.

Green hero:

Paromita Chatterjee

Making seed balls to spread greenery!

Mr. Prashant Tayade from DNMG team, made some seed balls for planting in this monsoon season. He used black plum seeds for this initiative.

Good initiative Mr. Tayade!

Benefits:

A seed ball is a marble sized ball made of clay, earth and seeds which is used to replant areas where the natural flora has been destroyed.

Green hero:

Prashant Tayade
