

Green Heroes of the month

November 2018 - part 02

Paryavaran Mitra - A unique initiative!

Customer Relation Centre's team from Distribution have been applauded on the notional give-away concept of pledging to be a Paryavaran Mitra where Tata Power plants a tree on behalf of every consumer. This initiative has spread humongous awareness and garnered a great response from consumers and they have spoken very fondly about it.

Great work!

Benefits:

Team secured commitments from 980 Consumers for Pledging to protect the environment. Further, the Customer Management team also motivated 504 Consumers to register for E-bill and E-NACH.

Green Hero -

Mr. Deepak Ojha, Ms. Priya Nair and Mr. Tejinder Singh Heer

Canopies for water protection using scrap!

Mr. Vaibhav Grover from IEL-PH#6 made canopies for water protection over manual call points of FDA system from scrap fire extinguisher cylinder. He made 40 canopies at various location.
Good work!

Benefits:

Reuse of Scrap!

Green Hero -

Mr. Vaibhav Grover

Green Hero - Mr. Paulo D'Souza!

Mr. Paulo D'Souza from Network Management team created awareness at one of the site at Aarey colony to resolve issue of generating paper scrap. Jointer crew had habit of throwing paper waste at working place. Mr. Paulo D'Souza made dustbin with scrap MS drum and empty gunny bag and asked crew to put scrap in dustbin.

Great work!

Benefits :

Better waste management
Creating awareness

Green Hero:

Mr. Paulo D'Souza

Reusing Scrap!

Mr. Satyabrat Barik and Mr. Snehasis Ray from Kalinganagar made Waste bin and scraper from scrape material for housekeeping.
Kudos to Green Heroes!

Benefits:

- Reduced some amount of scrap
- Easy for housekeeping activity.
- Saved natural resources by using scrap material

Green heroes:

Mr. Satyabrat Barik and Mr. Snehasis Ray

Rescue of Pond Heron!

Mr. Mangesh Borkar from Bhivpuri rescued an injured Pond Heron Bird. It was released in nearby habitat after recovery.
Great work!

Benefits:

Waterbirds like Pond Herons can maintain the diversity of other organisms, control pests, be effective bioindicators of ecological conditions, and act as sentinels of potential disease outbreaks.

Green hero:
Mr. Mangesh Borkar

Saving Black Kite!

Team Trombay rescued an injured Black Kite in the company premises with the help of Non-profit Organisation Manav Abhyas Sangh.
Good work!

Benefits:

The presence of raptors (like Black Kite) in the wild serves as a barometer of ecological health. Birds of prey are predators at the top of the food chain; because threats like pesticides, habitat loss, and climate change have the most dramatic impact on top predators, we refer to them as indicator species.

Green Heroes:

Mr. Jayant Bodhade, Mr. Pravin More and Mr. R R Kamath

Junior Green Hero's Green Diwali

Lavishka Tiwari, Daughter of Namrata Joshi made an ecofriendly lantern using Old cardboard box, old gift wrapping paper.

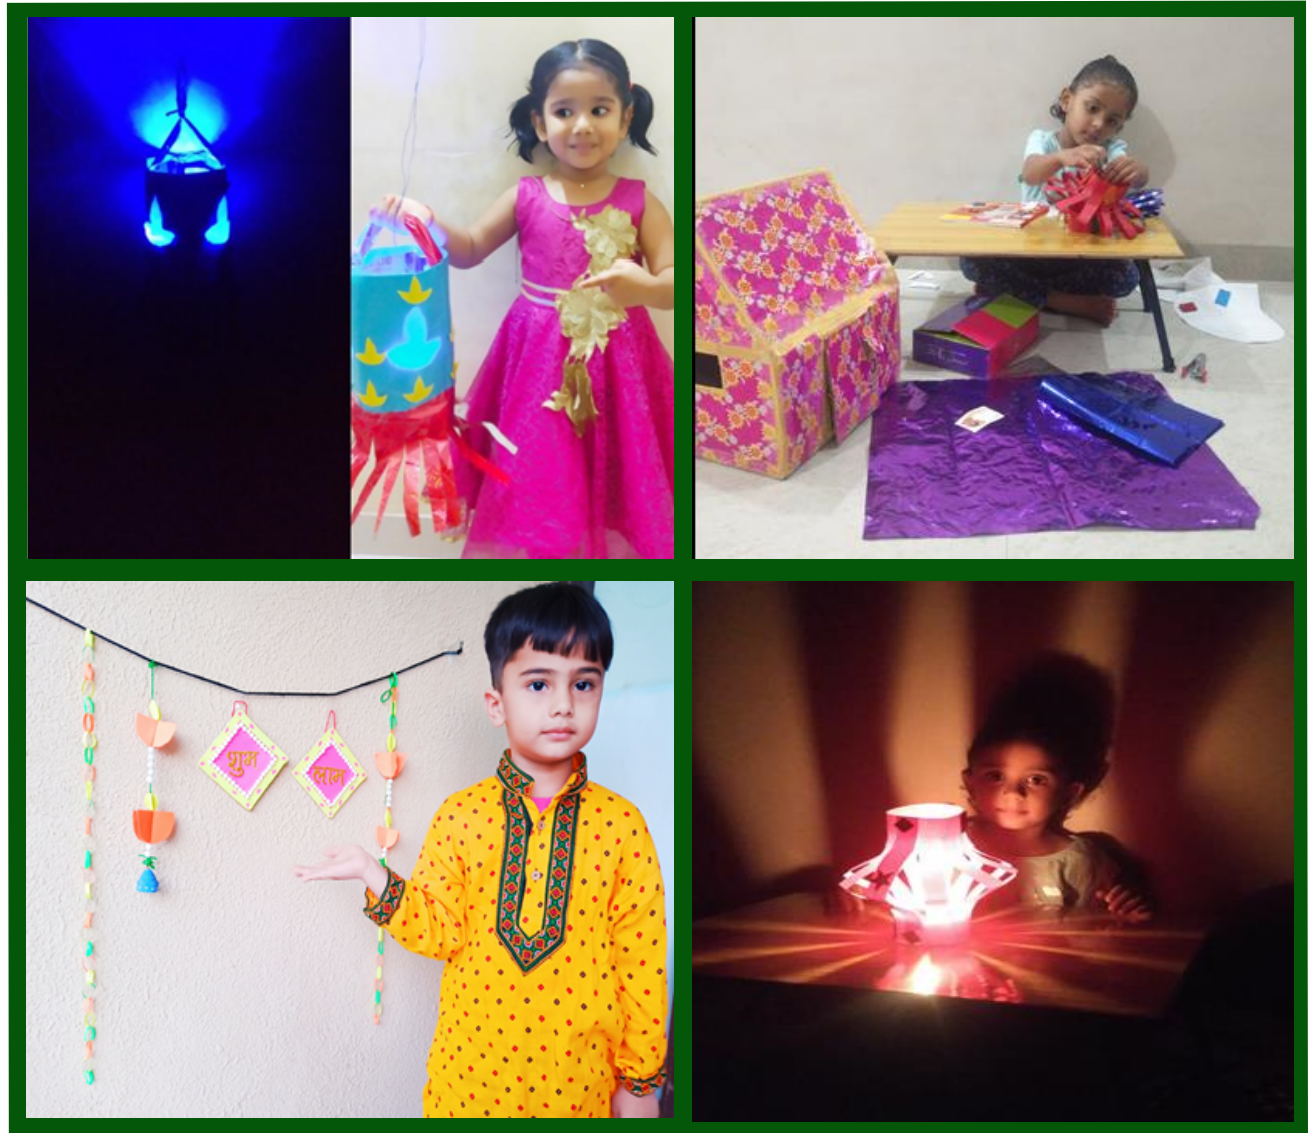

Arijit Mishra, 4.5 year old son of Ms. Vibha Parashar from CGPL finance department made some decoration items with the guidance of his mother for Diwali from waste packing and gift papers.

Dhyana Karelia, Daughter of Mr. Gautam Karelia made a Eco-friendly Lantern on this Diwali from old gift papers , boxes , strings and recyclable material.

Kudos to our Junior Green Hero!

Benefits:

To maintain a healthy lifestyle, children should be educated in a positive way about the environment in order to create a sense of consciousness and participation, and to help them acquire a knowledge of ecological principles aimed at ensuring a balance between the health of the individual, society, and the environment.

Junior Green Heroes:
Lavishka Tiwari, Arijit Mishra and Dhyana Karelia

Junior Green Hero - Advita Paradkar!

Advita 5yrs Daughter of Ms. Tejaswita Paradkar planted a Bamboo plant in her balcony. She helps her mother to water and take care of balcony garden.
Good work!

Benefits:

To maintain a healthy lifestyle, children should be educated in a positive way about the environment in order to create a sense of consciousness and participation, and to help them acquire a knowledge of ecological principles aimed at ensuring a balance between the health of the individual, society, and the environment.

Junior Green Hero :
Advita Paradkar
