

Reuse of the plastic cans for plantation!

Mr. R P Dipke and V B Gowda from Dharavi Receiving station used Battery electrolyte plastic cans for planting plants. Total 150 cans were used to plant plants.

Good work!

Benefits:

1. Recycling and reuse of plastic helps to conserve natural resources
2. Making workplace pleasant
3. Increase in green cover
4. Helps to reduce the greenhouse gases

Green Heroes :

Mr. R P Dipke and V B Gowda

Working Model from Scrap !!!

Team EMD from BORL BINA site, built a working innovative model for Automatic Bed Material Poking and Transporting using Scrap and unused material during 48th National Safety Week celebration. This Model demonstrates how to remove and transport Bed Materials from Boiler combustor at a temperature of 800 °C without direct involvement of Human being.

Kudos to Green Heroes!

Benefits:

Reusing of Scrap

Working Model for better understanding of automation concept in process

Green Heroes :

Mr. Gunasagar Sahoo, Mr. Prasanna Kumar, Mr. Mohammed Sadiq, Mr. Venkata Ramana Setti, Mr. Mithlesh Singh and Mr. Rohit Bamgude

Plantation Drive at Coal handling Plant-CGPL!

Team CGPL planted more than 250 saplings of Neem, Mangoes at internal and external coal handling plant (west port). This activity was a part of their drive to make CGPL - Coal handling plant more green.

Kudos to Green Heroes!

Benefits:

It is scientifically proven that plants removes chemicals such as benzene, trichloroethylene, and formaldehyde from the air, making it cleaner for humans to breathe.

Green Heroes

Mr. Rajesh Jagani, Mr. Tushar Tripathi, Mr. Mayank Chavda, Mr. Dhiraj Vigora, Mr. Guddu Khan, Mr. Harsh Arya and Mr. Paresh Vigora

Using scrap to make stands!

Mr. Ajit Bilolikar and Mr. Pradip Biswas from Jojobera made stands for plant pots using scrap material.

Good work!

Benefits:

1. Recycling Scrap Metal Benefits the Environment
2. Recycling Scrap Metal Conserves Energy
3. Recycling Scrap Metals Frees up Space

Green Heroes
Mr. Ajit Bilolikar and
Mr. Pradip Biswas

Saving paper by changing format!

Mr. Bishwajit Jena from Kalinganagar - Operation made changes in the LDO Unloading Checklist and saved paper. This has reduced 50% usage of A4 sized paper for this work.

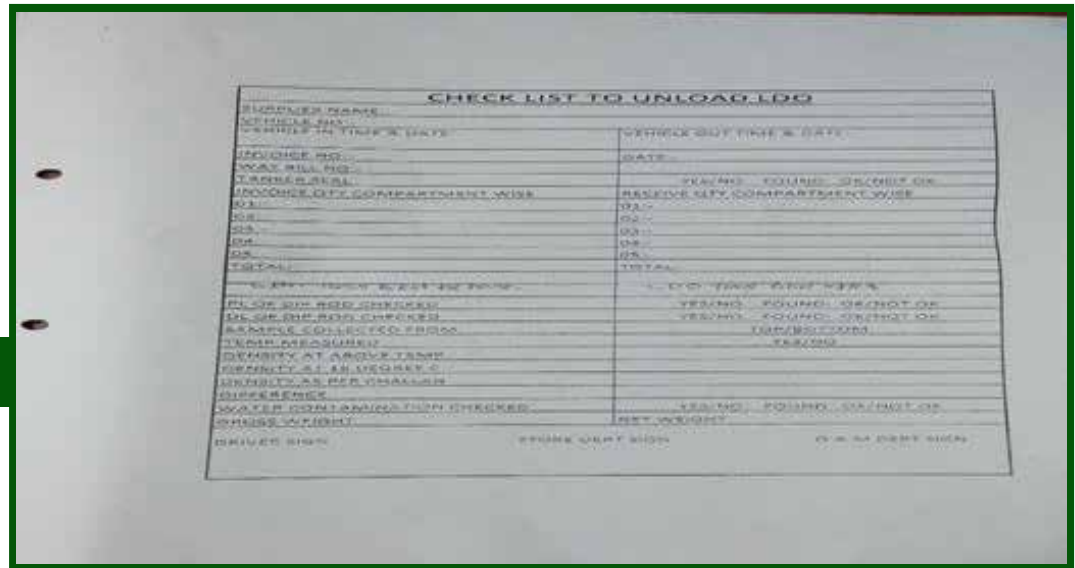

Good work!

Benefits:

1. Saving of 144 papers
2. Saving of natural resources

**Green Hero:
Mr. Bishwajit Jena**
