

Green Heroes of the month

October 2018 - part 02

Reuse of Water from Swimming Pool!

CGPL Aashiyana Township Civil Maintenance Team reutilizes 6000 L water every week from swimming pool cleaning activity which is used in gardening and guest house.

Kudos to Green Heroes!

Benefits:

1. Due to this activity team Maithon reused 20 waste containers of fire paint and reduced the plastic footprints.

Green Heroes -

Mr. Pranav Desai, Mr. Ramesh Baghel

Art from Scrap!

Team CGPL created art structure from scrap as a part of visual change at site. The art structure was then placed at main control room entrance.

Great work!

Benefits:

1. When you use scrap metal in your creations, you will save money on the cost of your materials, while also helping preserve the environment and the Earth's natural resources.

Green Heroes:

Brajesh Singh, HBK Patnaik, Rajmani Singh, Omkar Tatkare, Premkumar Gunasekaran and PMPL Team .

Kitchen waste converted to compost!

Mr. Sunit Chaudhari from Tata Power SED took an initiative to convert every gram of kitchen waste into compost. Each member of his family ensure that they put all kitchen waste into homemade compost bin. Kudos to Green Heroes!

Benefits:

1. Kitchen composting reduces methane emissions from landfills and lowers your carbon footprint.

Green heroes:

Sunit D. Chaudhari

Rescue of Bird!

MPL store team saved a bird trapped in the solar light dome of store. Team released it in the open area. Great work!

Benefits:

1. Birds play a vital role in keeping this balance of nature. In addition to being important parts of food webs, birds play other roles within ecosystems. Birds eat insects. They are a natural way to control pests in gardens, on farms, and other places.

Green heroes:

Mr. Rajesh Singh, Mr. Saroj Jha , Mr. Bunty Sharma, Mr. Anup Srivastava, Mr. Kartik mahato, Mr. Manoj Marandi, Mr. Soumen Mondal, Mr. Seet Bauri, Mr. Manoj and Mr. Dulal Mahato .

Reusing scrap rubber mats!

Mr. Vishal Panchal from TPADL team started reusing rubber mats recovered from the scrap as an insulator in field work.
Good work!

Benefits:

1. Reducing use of natural resources like fuel therefore reducing carbon emissions.

Green heroes:
Vishal Panchal

Junior Green Hero - Rakesh R!

Rakesh, son of Mr. Rajesh Ramaiah from Tata Power SED, helps in putting Manure and Repotting the Plants placed in house. Kudos to Jr. Green Hero!

Benefits:

People of all ages can enjoy gardening, but children in particular will have lots of fun and gain special benefits. Gardening is educational and develops new skills including:

1. Responsibility – from caring for plants
2. Understanding – as they learn about cause and effect (for example, plants die without water, weeds compete with plants)
3. Self-confidence – from achieving their goals and enjoying the food they have grown

Rakesh R

Little Messenger of Elephants!

On the “World Elephant Day” Dhyana Karelia, daughter of Mr. Gautam Karelia from WSMPL performed an Elephant Character in her school and gave message to all people to save elephants and our environment. Kudos to Jr. Green Hero!

Benefits:

1. By educating our children, the next generation will better understand the importance of protecting our planet.

Junior Green hero:
Dhyana Karelia
