

## CGPL partners with KFFFD T for the Tree Mitra initiative!

CGPL- CSR team has been providing Agriculture and Animal Husbandry services to the community through its Samridhi Centre, Nani Khakar. Team members voluntarily participated in the Tree Mitra drive 2020. They planted 10 tree saplings around Samridhi Centre and Gaucher land Development fodder plot at Nanikhakar village.

**Great initiative!**

### Benefits:

- Enhance Regional Bio-diversity.
- Sensitizing local community to grow & care trees in a very Inclusive manner.

### Green heroes:

Jayesh Lalka, Shailesh Vyas, Pravin Ukani,

We render our sincere thanks & Gratitude to KFFFD T

## Art from re-used materials!

Mr. Priyabrata Padhi from IEL-Kalinganagar made a beautiful fountain with the help of some re-used material from the household.

**Good work!**

### Benefits:

Since reuse is a step up from recycling, it is an excellent habit to get into if we want to do our share to help save the environment. You will be surprised at how many opportunities for reuse there really are – once you start looking for them.

### Green hero:

Priyabrata Padhi

## Green belt development by TPSSL!

As a part of project development, team TPSSL planted 98 no. of saplings in the plant premises.

**Great team work!**

### Benefits:

Plants in the office improve air quality by removing harmful pollutants.  
Plants also stabilize humidity levels.

### Green heroes:

Satya Soliyal, Shubham Choudhary,  
Gururaj Pujari, Shirish Singh, Ashish Tiwary,  
Md Nafis Alam, Paritosh Prakash and  
Ramakrishna

## Rescuing a Common Myna!

A Myna was found in an injured condition in the Powerlinks Muzaffarpur plant premises. Mr. Chotu Kumar rescued the bird, gave first aid and released it in a safe area.

**Great work!**

### Benefits:

Birds play an important role in the effective functioning of these systems. As birds are high up in the food chain, they are also good indicators of the general state of our biodiversity.

### Green hero:

Mr. Chotu Kumar

## Reusing saves money and natural resources!

Mr. Swapnil Jadhav from Padaliya plant re-used scrap 6 sqmm Cu cable (string solar cable). He repaired the cable sleeving and joining which helped to saved Rs. 48,000.

**Good work!**

### Benefits:

Cost saving of Rs. 48,000

Saving resources

### Green hero:

Swapnil Jadhav
