

MPL's initiative to conserve biodiversity!

Team MPL developed a rain water harvesting pond near field hostel. They have released approx 40,000-50,000 fish fingerlings of native species in the pond.

Good work!

Benefits:

Native species conservation is important because many native species populations are declining due to degraded habitat and the spread of aquatic invasive species.

Green heroes:

Probhat Bandhu, Alak Kumar Manna and Ajay Kumar

Canopy for FRTU Panel using waste material!

Team DNMG North Zone made a canopy for FRTU Panel using scrap iron channels and metals sheets.

Good work!

Benefits:

- Reducing and re-using scrap material.
- Saving natural resources by using scrap material.
- Cost Saving.
- Avoid water ingress.
- Enhancement in safety.

Greening the Silo bunker area in CGPL!

CGPL MMD Team took an affirmative step towards making the Silo bunker area green. On the occasion of Vanmahotsav 2020, they planted 150 tree saplings of native species. The drive was organized under the guidance of Mr Prafulla Kukde, head- MMD and Mr Pradeep Ghosal, head - Environment, CR and Sustainability.

Kudos to Team CGPL!

Green heroes:

Prafulla Kukde, Pradeep Ghosal, Dronavalli Prasad, Santosh Shah and Milind Rawal

Growing medicinal herbs!

Mr. Feroz Khan from Saki sub-station planted some ayurvedic medicinal plant at the office premises. On the occasion of Vanmahotsav, he planted tulsi, ajwain, aloevera and currypatta saplings.

Good work Mr. Khan!

Benefits:

Medicinal plants such as Aloe, Tulsi, Neem, Turmeric and Ginger cure several common ailments. These are considered as home remedies in many parts of the country.

Feroz Khan

Vanmahotsav celebration at PPGCL!

Team PPGCL is celebrating July as “Van Mahotsav” month. During this period, the team will plant about 11,000 saplings. The inaugural ceremony of Van Mahotsav was on 5th July 20 and was witnessed by Mr. J.B Singh (RO, UPPCB, Prayagraj), CEO, CFO, Chief (O&M), Chief (O&M) Services, Chief (HR&IR), Heads of departments, employees and associates of PPGCL. On the day itself as many as 1,500 saplings of forest species were planted.

Kudos to the team PPGCL! Thank you for inspiring us!

Benefits:

It helps spread awareness about the harm caused by the cutting down of trees, and it is expected that every citizen of India will plant a sapling in the Van Mahotsav week. People celebrate Van Mahotsava by planting trees or saplings in and near their homes, offices, schools and colleges.
