

Tree Mittra from WREL AP 30MW!

Team WREL Andra Pradesh participated in the Tata Power's Tree Mittra campaign. They planted 10 trees at site area.

Good work!

Tree Mittra is a flagship volunteering initiative of Tata Power under the "Be Green" theme, which aims to encourage employees and their families to adopt a plant and nurture it to ensure its survival.

Green heroes:

Mohammad Imran, Aaquib Miya Shaikh, Vijay and Indrasena Redy

Bird feeding helps you experience nature!

Mr. Prabhakar Kale (Chief - Hydros) have installed the bird feeders in the garden of his Trombay colony house. He found this unexpected guest visiting our bird feeder regularly.

Good work!

Benefits:

1. A bird feeder gives you the opportunity to observe the nature
2. Children can learn to identify bird species using bird feeder

Note:

One should take proper care that bird feeding will not favor invasive bird species
