

Greening Coal Handling Plant at CGPL!

CHP Team of CGPL celebrated World Environment Day by planting 550 saplings. Mr. Rajesh Jagani, Head – CHP, organized and supervised the plantation drive. The team planted Neem, Gulmohor, Karaji, Conocarpus and Thevetia saplings to make the area greener and enrich its aesthetic value.

Kudos to team CHP!

Benefits:

Green area can encourage exercise, provide spaces for socializing, decrease noise and air pollution and improve immune function by providing exposure to beneficial microbiota. It also can help with psychological restoration.

Green heroes:

Rajesh Jagani, Ravindra Derla, Mayank Shashikant Chavda, Dhaval Makwana, Nayan Jethi, Dhiraj Vigora, Guddu Khan, Randheer Senapati, Paresh Vigora, Tushar Tripathi, Prabhat Kumar, Shubhanand Tiwari, Bhavesh Vishe and Ganesh Kedar.

Rescue of Indian Hare!

Mr. Raja Sekhar Polamada from TPREL rescued a leveret of an Indian hare at Pavagada 50MW solar plant.

Good work!

Benefits:

Biodiversity boosts ecosystem productivity where each species, no matter how small, has an important role to play

Green hero:

Raja Sekhar Polamada

Mega afforestation drive at TPSSL!

Employees from Tata Power Solar locations carried out a company-wide Tree Mitra afforestation drive, planting 666 saplings. Sites of TPSSL Bangalore, Dholera, SB Energy Pavagada, NTPC Jetsar, TPREL & GIPCL Raganesda, Greenco ShivPuri, Ayana Ananthapur, THDC Kasaragod and NTPC Kayam Kulam participated in the campaign.

Kudos to green heroes of TPSSL!

Benefits:

Trees provide a multitude of benefits, both long and short term. As well as being attractive aesthetically, they remove and store carbon from the atmosphere, slow heavy rain and so reduce the risk of flooding, enhance air quality and improve the urban heat island effect by reflecting sunlight and providing shade.

Green heroes:

Team TPSSL

Tree Mittra from Maithon!

Team FGD at Maithon participated in a Tree Plantation Drive on World Environment Day i.e. 05th June 2020. It was organized under the guidance of Mr. M S Rahman (Head-FGD Project) and the group of enthusiastic officers planted more than 50 saplings. The drive was a huge success, empowering officers with substantial knowledge of environment & plants while also enhancing their social skills.

Good work!

Benefits:

Trees make the home for birds and other animals and insects, helping to keep up the ecosystem rolling. Trees make forests and that in turn help the earth in many ways like giving home to animals and bringing rains and prevents desertification. Without trees, the herbivorous animals will be in want of food.

Green heroes:

M S Rahman, N R Prasad, Jitendra Sahoo, Y S Srinivasa Rao, Indra Kumar Singh, Srikant Dash, Saugata Chakraborty, T K Das, Arnab Bose, Partho Banerjee and Shantanu Ghosh.

Caring for others!

Mr. Navin Kumar and Mr. Mariya Lourdu Evaris rescued an Indian hare near the main gate of 34MW Kodihalli site. The hare got hit by a two-wheeler, the team rescued it at right time and released it in the natural habitat post recovery.

Good work team WREL!

Benefits:

Biodiversity is important because each species can give scientists some clue as to how life evolved and will continue to evolve on Earth. In addition, biodiversity helps scientists understand how life functions and the role of each species in sustaining ecosystems.

Green heroes:

Navin kumar and Mariya Lourdu Evaris
