

Green Heroes of the month

July 2018 - part 01

We Carpool!

Borivali Distribution team (DNMG-West and North) started Carpooling to reduce their carbon footprints. Mr. J C Panchal shares car journey with Mr. Shrikhande Chandrashekhar B and Mr. N P Patel to reach office from home and returning home from office.

Kudos to the Green Heroes!

Benefits:

Every carpooling participant takes another car off the road, which means less congested roads and highways. As more people take part in carpooling programs or organize carpools within their workplaces, overall traffic congestion will decrease, which reduces fuel consumption, commute time, and the cost of road repairs.
