

CGPL develops nursery!

CGPL - Sustainability Department developed a nursery inside plant premises using waste material collected from different areas of the plant. This Nursery has been named as 'Nidhivan'. Chief Generation, Tata Power along with CEO- CGPL inaugurated nursery with an intent " Go the Green Way... Nurture the Environment. Fogger Sprinkling facility has also been provided to keep the plants healthy by periodic watering with minimal requirement for conservation of water .

The Nursery is covered with Green Shade Net UV Stabilized to avoid excess heat and customization with desired heat balance to the plant. Presently there are 11 different plant species inside the nursery.

The activity has been completed under guidance of Mr. Pradeep Ghosal along with team members.

Good work!

Benefits:

- Reusing scrap
- Conservation of water
- Readily availability of plants
- Increase in the aesthetic value
- Awareness among the masses on Green Value.

Green heroes:

Milind Rawal, Santosh Tripathi, Asif Khan Pathan and Tejas Khadse

Tree Mittra from MPL!

Mr. Srinivasa Rao Tilari and Mr. Madan Panda from MPL planted 19 flower bearing saplings at ZLD HERO plant.

Good work!

Benefits:

- Flowers Promote a Healthy Environment
When people have less stress and are happier, they tend to also be healthier.
- Flowers Provide Clean Air Part of a healthy environment is clean air. Flowers at work provide better air quality.

Green heroes:

Srinivasa Rao Tilari and Madan Panda

Green heroes from DMS-MMS WREL Gujarat!

Employees from WREL Gujarat site reused metal, acrylic sign board to communicate different messages in the plant. Around 36 metal and 12 acrylic signboards were identified to reuse. Team decided to recycle and reuse them in sustainable ways to save costs as well as for environment protection.

Good going!

Benefits:

- Recycling of metal scrap
- Reducing disposal needs and costs saving

Green heroes:

Jayesh Rana and team DMS & MMS

Tree Mitra from Maithon!

FGD Maithon organised a tree plantation drive near FGD site office during the visit of Mr. V V Namjoshi (Chief-Generation), under the guidance of Mr. D K Gangwal . A group of enthusiastic officers along with Chief-Generation, CEO-MPL and Head-Projects (Generation) planted around 50 saplings. The drive was a huge success, empowering officers with substantial knowledge of environment and plants.

Good initiative!

Benefits:

1. Trees improve air quality by filtering harmful dust and pollutants such as ozone, carbon monoxide, and sulphur dioxide from the air we breathe.
2. Trees reduce the amount of storm water runoff which reduces erosion and pollution in our waterways and may reduce the effects of flooding.
3. Trees provide food, protection, and homes for many birds and mammals.

Green heroes:

D K Gangwal, N R Prasad, Santosh Wasekar, Y S Srinivasa Rao, Indra Kumar Singh, Sarwottam Prasad, Saugata Chakraborty, Jitendra Sahoo, Arnab Bose, Partho Banerjee, Sajid Mohammad, Santanu Ghosh and Madan Bodhak

Tree plantation on the occasion of Founders day!

Team Trombay planted 21 tree samplings as a part of Civil & Estate Dept's celebration on the occasion of founders day on 3rd March 2021.

Kudos to team Trombay!

Benefits:

1. Stressing the importance to green cover & efforts to reduce air pollution
2. Contribution to towards increasing 33% green belt area at plant
3. Improving the ambiance and aesthetic value
4. Enhancing awareness and sensitization on benefits of Trees
