

## Rescue of an Indian hare!

Mr. R.D. Desai - security guard (Trombay) saw an injured rabbit near wall of Trombay Plant during the patrolling. He informed the security control room operator and officer and brought the hare at FOT area for rescue. Team kept the hare in the safe area and gave it water. Then the animal was handed over to Mr. Sunil Kadam (Maharashtra Animal Rescue Association), Environment Dept. by SCCR for further treatment.

**Good work!**
