

E-Bill conversion program!

Team DSMG rolled out E-Bill conversion programme under the “I DID IT” campaign. The intent of the campaign was to strengthen sustainability initiatives while reaching out to Mumbai consumers to collaborate and become members of Tata Power’s ‘Paryavaran Mitr’ family.

Kudos to team DSMG!

Benefits:

- Saved trees and reduced carbon footprint
- Rs.10/- discount on power supply bill every month

Green heroes:

Pavitra Gowda, Manali Pawar,
Vaishnavi Harlapur, Sunny
Dharmaraj and Sunny Puthran

Green initiative at Trombay!

Mr. Manoranjan Sahu from Jojobera implemented QR coding initiative of equipment for details, SOP, SLD at single point. This digitalisation initiative helped achieve paper savings at office. By scanning this QR code one can get the Gemba details, 5S action plan, floor diagram and equipment available in the floor starting from zero meter to top floor.

Good work

Benefits:

- Reuse of old scrap thus saving new resources
- Cost saving of 40,000 Rs.

Green heroes:

Samad Mulla, Shahane Sagar,
Sumit Shukla and Swapnil
salunkhe

Digitalization of first information reporting!

Team Jojobera operations took an initiative of FIR reporting through FIR PowerApps. Once a user enters all the details of FIR and saves, it send an autogenerated email to respective shift-in-charge.

Good work!

Benefits:

- Improvement in the process
- Customer delight
- Time saving
- Improvement in the sustainability

Green hero:

Mahendra Murmu, Md Tabish and Manoranjan Sahu

Tree Mittra from Shirshupal-Maharashtra!

Volunteers from Shirshupal, Maharashtra planted 300 saplings of Marga, Neem, Hibiscus and Sitapal near the plant area.

Great work!

Benefits:

- Increased greenery around the site area
- Beautification around the site

Green heroes:

R J Panchal, Rahul Zade, Alok Madne, Chaitanya Dhanwate, Shashank Bansode, Pravin Shinde, Mahesh Zagde, Pandurang Satpute, Pankaj Shilawat, Prakash Salunke, Navnath Hivarkar, Jalindar Shinde, Dhananjay Hivarkar and Vasant Sadashiv Ghode

Best of waste - Diwali celebration!

Mr. Sukalyan Saha from IEL Kalinganagar and his spouse Mrs. Amrita pal Saha reused old plastic bottles for bottle painting and used them as hanging light for Diwali celebrations. Apart from that used disposal cups and glasses for wall hanging decoration, they also used bottom portion of old plastic bottles for making floating Diya and Celebrated eco-friendly Diwali by best use of waste.

Kudos to green parivar of kalinganagar!

Benefits:

Recycling the waste and Reducing land pollution

Green heroes:
Sukalyan Saha and
Amrita pal Saha
