

# Green Heroes of the month

August 2018 - part 02

## Reuse of waste pvc containers!

Team Maithon reused old pvc containers of fire paint to grow ornamental plants  
Your innovative efforts towards Greenolution is indeed highly appreciated!

### Benefits:

1. Due to this activity team Maithon reused 20 waste containers of fire paint and reduced the plastic footprints.

### Green Heroes -

**Mr. Umesh Gautam, Md. Sajid, Mr. Santosh Kumar Sahu,  
Mr. Ravi Gupta, Mr. Mukesh Naik, Mr. Priya Sahoo,  
Mr. Shreyosi Samanta**

## Rescuing Blue Bull!

CGPL security team saved an infant of Nilgay (Blue Bull) from the attack of stray dogs near the company premises. It was evacuated from the place of incident and first aid was arranged for it. Later it was registered and handed over to animal care center, Mundra.

Great work!

Benefits:

1. Nilgay (Blue Bull) is endemic to the Indian subcontinent.

### Green Heroes:

**Mr. Bhagat Singh Bhatra, Mr. Rajesh Kumar Pandit and Mr. Shakti Sinh Jadeja**

## Reusing scrap for foundation support!

Team Bhivpuri used 1 MT scrap steel from scrap yard to make panel platform and foundation supports for 100 Kw micro turbine at Bivpuri Hydro generating station.

Great work!

Benefits:

1. Recycling scrap metal reduces the amount of waste produced, while also preventing the need for additional mining to obtain new metals for manufacturing purposes.
2. Saving of 0.6 lakhs.

**Green heroes:**

**Mr. Akash Gorade, Mr. Pansare Sunil and  
Mr. Dhiraj Kamath.**

## Tata Power DDL's green Samman!

Tata Power-DDL organized SAMMAN Program- An initiative for Senior Citizen on 26th July 2018, under which 60 saplings of TULSI (Holy Basil) were distributed.

Great work!

Benefits:

1. Tulasi has been used in Ayurveda for its supposed treatment of diseases.
2. For centuries, the dried leaves of Tulasi have been mixed with stored grains to repel insects.

### Green heroes:

**Mr Shenbagam Manthiram, Ms Kiran Gupta,  
Mr Kapil Kumar, Ms Avneet Kaur, Mr Vikas Gupta,  
Ms Kanika Asija, Mr. Rajendran Nair,  
Ms. Pooja Kumra, Mr. Dipanwita Ray**

## Cycling to reduce carbon footprints!

TPSSL employee Mr. Nagappa R use bicycle to commute from home to a place of work. He travels approx. 15 Km distance every day.

Good going!

Benefits:

Reducing use of natural resources like fuel therefore reducing carbon emissions.

**Green Hero :**  
**Mr. Nagappa R**

## Green Volunteering for Vanmahotsav!

DNMG team (North & West) participated in Tree Plantation program at Lonavala. 17 Nos. volunteers participated from both zone along with two youngest participants (Aarohi Pujari - 2.5 years old daughter of Mr. Nikhil Pujari and Shaurya Patil - 8 months old son of Mr. Swapnil Patil) in the group.

Kudos to Green Volunteers!

Benefits:

- 1) Making a contribution to community, 2) Promoting social interaction
- 3) Personal development, 4) Learning about the natural environment
- 5) A general ethic of care for the environment

### Green Heroes :

**Mr. Naitik Patel, Mr. Abhijeet Sorte, Mr. Tushar Fakira Rahatal, Mr. Nikhil Hirgappa Pujari, Mr. Subashish Mohanty, Mr. Swapnil Ashok Chandgude, Mr. Shivagurunathan D, Mr. Hansraj Shukla, Mr. Krunal Mali, Mr. Pratik Bakraniya, Mr. J C Panchal, Mr. R R Chawan, Mr. V Rangarajan, Mr. Swapnil Patil, Mr. Santosh Dighe, Mr. Shreeram Rane, Mr. Awaneesh Pandey and Mr. Rahul Ranadiive**

## Re-use of scrap ply wood

Team MPL made an ARC suit cabinet and FDA panel battery stand cover from scrap plywood.

Great work!

Benefits:

1. Scarp utilization
2. Improving S+5S of the area.

### Green Heroes:

Mr. Ravi Shankar Rajak, Mr. Aftabuddin Mondal, Mr. Mazahar Mustafa and Mr. Ravi Sharma

## Change start with you!

Mr. Sanjay Chavan from DNMG team has ditched the conventional paper cup & Uses own ceramics cup for tea from Aug-2016 to till date(That means 2 cups per day so for 23 months approximately 1000 cups). He takes Sodex meal receipt on mobile (E-Receipt) instead of paper receipt. He has taken a small but important step towards paper recycling. Near printer he has kept a box where he keeps sheets of paper where only one side is used. All employees of DNMG Urban zone use these papers for their daily use thus saving paper.

Great work!

### Benefits:

1. Saving of more than 2000 sheets of papers
2. Saving of approx. 1000 cups.

**Green Hero:**  
**Sanjay Chavan**

## Plantation drive at Nesco DSS!

Distribution Network Management Group West zone initiated Tree plantation drive at NESCO DSS and planted 15 saplings of polyalthia longifolia (Asopalav) tree. They used Old paver blocks to protect saplings.

Great work!

Benefits:

1. Asopalav is effective in alleviating noise pollution.
2. It is host plant of Common Jay and Tailed Jay.

**Green Heroes:**

**Mr. Joshi Shriprakash G , Mr. D S Patil, Mr. Hitesh Gokani,  
Mr. V B Chavan, Mr. Aweenish Pandey, Mr. Panchal J C,  
Mr. Ashish Pandey and Mr. Santosh Khairnar**
