

Plantation drive using waste oil barrel!

MPL's Material department has taken an extra step forward to propagate Greenolution by planting ornamental plants using waste oil barrels.

Good work!

Benefits:

1. Improving ambience of surroundings and purification of air
2. Reducing waste and saving resources

Green heroes:

Arun Kumar Singh, Ravi Shankar Rajak, Susheel Choubey, Debarati Bhattachary, Koushik Ganguly, Robin Bauri, Manoj Marandi, Sitaram Tiwari, Bapi Tiwari, Shishir Mondal, Soumen Kumar Mondal, Akash Lohar, Shit Bauri, Dulal Mahato, Arun Mahato, Laxman Soren, Anup Srivastava, Buntly Sharma, Arup Singh Choudhary and Sanjay Tiwari

Rescuing life!

Team of Anjar site helped a pigeon who fell down in the plant due to heat wave. They gave first aid to the bird and released it in the habitat afterwards.

Good work!

Green heroes:

Himen Sorathiya, Praveen Vaghela, Gautam Karelia and Kamlesh Tarar

Every drop matters!

Team Kalinganagar carried out a training program with contract workforce on water conservation. After the awareness session, contract workforce closely monitored and reported every leakage however minor. This initiative helped solve leakage problem which resulted in savings of 10 ltrs of water every day.

Kudos to team Kalinganagar!

Benefits:

1. Water conservation
2. Awareness

Green heroes:

Bikash Kumar Barik, Ajay Kumar and Ranjan Maharana

Wastage reduction to resource conservation!

Mr. Rahul Anand from C&I Maintenance team of CGPL, always used one-side used paper for printing of gate pass and other purpose.

Good initiative!

Benefits:

- Resource conservation

Green hero:
Rahul Anand
