Mobile app for PTW audit at Kalinganagar!

Team Kalinganagar was doing daily PTW audit to maintain adequate safety measures at work. 2 printed papers were used to note down any safe-unsafe situation. Mr. Sanjay Saha's digitalization initiative now uses online platform to do PTW audit through Mobile Power App. It has helped in saving paper and reducing the cycle time of complete audit process from start of audit, instant communication of audit observations and recommendations and stopping the work if it is unsafe.

Good Work!

Benefits:

1. Saving paper
2. Saving time
