

Junior green hero - Tejasvi Tutika!

Tejasvi, daughter of Tutika Prasadarao from Maithon gifted plants to her friends on the occasion of her birthday celebration.

Great initiative!

Benefits:

Switch to gifting eco-friendly products, this will motivate our friends and family to become more environmentally conscious, in a subtle way.

Junior green hero:
Tejasvi Tutika

Water recharge pits at Saki RSS!

Team at Saki RSS constructed water recharge pits in the switchyard area. This allows the rainwater to percolate and replenish ground water by recharging the underground aquifers.

Good work!

Benefits:

- It helps the water infiltration in the area

Green heroes:

Mr. Kiran Baviskar and Mr. Pramod Budhe

Plastic bags reused for making fruit basket!

Mr. Satyabrat Barik from Kalinganagar along with his family, reused waste plastic bags to make basket for keeping fruits and vegetable. Through this, they have successfully managed the plastic waste with an alternative use.

Good work!

Benefits:

- 1. Prevents pollution caused by reducing the need to harvest new raw materials.
- 2. Saves energy.

Green heroes:

Satyabrat Barik and family

Tree Mittra from Transmission East Circle!

Transmission east circle team participated in the tree plantation drive at Lonavala. Total 45 members participated in the drive and planted approx. 500 tree saplings near the Walwhan dam area.

Kudos to green heroes!

Benefits:

Community tree planting is an opportunity for involvement and empowerment of volunteers, bringing all cultures, ages and genders together to work towards a common goal.

Green heroes:

Team Vikhroli, Chembur and Salsette

Python rescue at Khopoli!

Khopoli employees rescued a python which got entrapped inside the cable trench. The snake was safely released in its natural habitat.

Good work!

Benefits:

Snakes make up a significant proportion of the middle-order predators that keep our natural ecosystems working. Without them the numbers of prey species would increase to unnatural levels and the predators that eat snakes struggle to find food. The feeding habits of snakes act as a natural form of pest control.

Green heroes:

Mr. Santosh Kharate, Mr. Aziz Shaikh and Mr. Santosh Ovhal
