

Scrap reusing at Jojobera!

Team Jojobera - CHP made the LED garden pole light with the available scrap material. They used scrap conveyor seal plate, scrap pipe and defective bulbs for this.

Great work!

Benefits:

1. Reduces the amount of waste sent to landfills and incinerators.
2. Conserves natural resources such as timber, water and minerals.

Green heroes:

Naveen Kumar, Aditya Verma, Bidisha Ghosh, Bhaskar Nandi and Anil Hansda

Butterfly Garden at Khopoli Hydro power House!

Team Khopoli converted a plot of 800 sq. ft. into a butterfly garden. The team has planted different varieties of butterfly attracting plants such as Lantana, Croton etc so that the butterfly can feed on the nectar of flowers.

Kudos to team Khopoli!

Benefits:

1. As the butterflies travel from one flower to another, they pollinate the plants, resulting in further development of plant species. Numerous plants rely on pollinators, such as butterflies, for reproduction.
2. Butterflies' preference for native plants can be considered an environmental benefit, since landscaping with native plants is a more sustainable practice.

Green heroes:

Mr. Ashwinikumar Patil, Mr. Fulendra Dhurandhar, Mr. Abhijit Patil, Mr. Nagesh Ghatage, Mr. Vishal Valanju, Mr. Vivek Vishwasrao, Mr. Vikas More, Mr. Rajan Surve, Mr. P V Wagh, Mr. Suresh Ovhal, Mr. Krishna Gowda, Mr. Anand Sawant, Mr. Pranit pagare, Mr. Parshuram Mengal.

Tree Mittra of Haldia!

Team Haldia participated in a Tree Plantation Drive, organized under the guidance of Mr. Chatterjee Amalesh. A group of enthusiastic officers planted more than 100 saplings. The drive was a huge success, empowering Officers with substantial knowledge of environment & plants while also enhancing their social skills.

Great efforts by team Haldia!

Benefits:

1. Trees improve our air quality by filtering harmful dust and pollutants such as ozone, carbon monoxide, and sulfur dioxide from the air we breathe.
2. Trees reduce the amount of storm water runoff, which reduces erosion and pollution in our waterways and may reduce the effects of flooding.
3. Trees can be placed to screen unwanted views or noise from busy highways.

Green heroes:

Chatterjee Amalesh, Rama Chandra Reddy Butcha, Debashis Barik, Das Somnath, Mondal Soumen, Tarun Kumar Sarkar and Jamal Hossain

Reusing practices at IEL, PH#6!

Chemical & Environment Dept of IEL, PH#6 made DM Plant Display Board Stand and Cover from Scrap material. It has helped to save cost and resources.

Great work!

Benefits:

1. Reduces need of new resources
2. Saving of cost

Green heroes:

Ajit Bilolikar, Pradip Biswas, Pradeep Agarwal and Anil Kaushik

Rescue of black kite at TPSSL!

Team TPSSL found an injured black kite at TPSSL Mfg. Plant near ASRS site, which was not able to fly. Housekeeping & HSE team took immediate action to rescue the bird. The bird was given necessary first-aid and then released into a safe area.

Great work!

Benefits:

Raptors also play an important ecological role by controlling populations of rodents and other small mammals.

Green heroes:

Samrendra and Asif Dasigir Mujawar
