

## Power App for better environment!

Team Kalinganagar created a digital app to reduce unsafe conditions at plant. It is a good initiative towards safety, health and environment to avoid any accident.

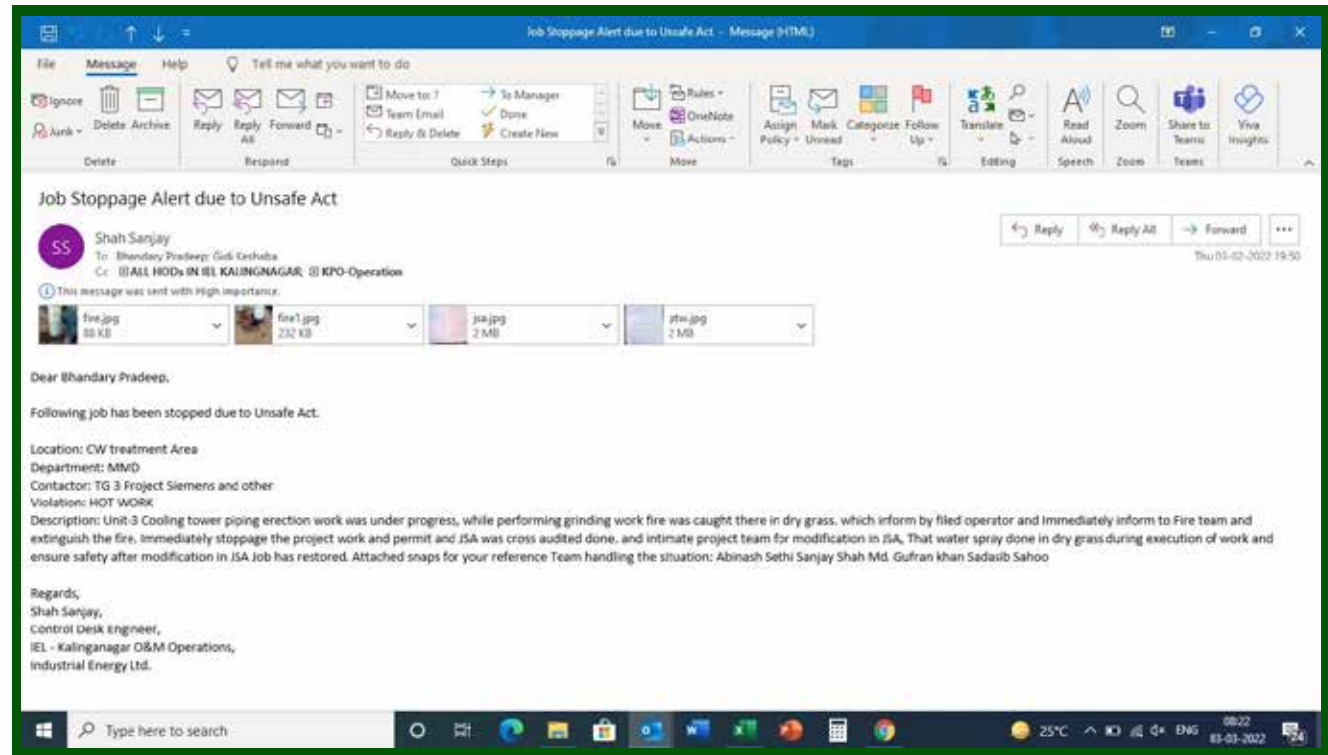

**Good work!**

### Benefits:

- Digitalisation can help to stop any unsafe job which may have negative impact upon environment.

### Green heroes:

Bhaskar Patra and Sanjay Shah

## Greenolution's lil champs!

Mr Ramesh Patra from Kalinganagar along with his wife Mrs. Sasmita Patra took up small scale initiative to contribute to the sustainable development on Earth. Along with the children of their village, they conducted an initiative of sapling plantation.

**Kudos to our green heroes!**

**Benefits:**

- Greenolution awareness

**Green heroes:**

Ramesh Patra and Sasmita Patra

## TVW17 and green volunteering @ Devaragudda!

Team Karnataka organized TVW17 activities at Devaragudda village and more than 42 employee volunteers participated in the program.

Employees planted more than 50 saplings and collected around 80 kg of plastic waste through the swachata Abhiyan.

**Kudos to our Greenolution volunteers!**

### Benefits:

- Reducing plastic footprints
- Increase in green cover
- Greenolution awareness

### Green heroes:

Swamy TM, K Dhanunjaya and team Karnataka

## Using solar lights for EV charging project!

There is no electricity at Mundhela Kalan DTC bus depot site in Delhi. Team Civil & Estate used the solar light instead of generator power supply for working at night.

**Great work!**

### Benefits:

1. If generator is not in good conditions then it can cause air and noise pollution.
2. Using solar light team have saved fuel as well as money

### Green heroes:

Krishnendu Das, Mahesh Raut and Ashish Pandey

## Green Tomorrow - Mega plantation campaign on Founders day!

CGPL FGD Project team completed the first phase of Mega plantation campaign under organisational commitment to nation "to do smart things today to make a Green tomorrow" !! On the Founders day, Mr A N Ramesh (CEO CGPL) inaugurated the drive along with the HODs and FGD Project team. Also at the eve of international women's day, all women employees wholeheartedly participated to support this campaign.

Tata steel delegation was also part of these inimitable initiatives and applauded the program.

**Good work!**

**Benefits:**

- Increase in green cover
- Employee volunteering and awareness

**Green heroes:**  
Team CGPL
