

## Compost pot using scrap!

Mr. Ravi Kumar Sharma made compost pot using scrap and kept it in front of Jojobera service building. Compost has been made using dry leaves collected by housekeeping staff which is used for gardening.

### Good work!

#### Benefits:

1. Reducing scrap
2. Prepared 50 Kg composted every month

#### Green Hero :

Ravi Kumar Sharma

## Increasing green cover with seed balls!

Mr. Manoranjan Choudhary from DSMG made seed balls using soil and compost with the help of children and senior citizens of his colony. Children planted the seed balls in their society and schools.

**Good work!**

### Benefits:

1. Awareness
2. Increase in green cover

### Green Heroes :

Manoranjan Choudhary, Babita Kumari Sahu, Shrusti Satish Pawar, Piyusha Rajendra Yadav, Debasmitta Parida, Mannshree Rajesh Jadhav, N. Venkat Phaneendra, N. Srivalli Sushupta, Anushka Ajay Nagbhidkar and Sabana Azmin Shaikh

## Tree plantation at Neemuch site!

Team of Neemuch Bhagwanpura site planted 5 trees nearby their office on the occasion of World Environment Day. They also took oath to take care of these plants. They also put some water pots for the birds at main gate and township.

**Great work by green heroes!**

### Benefits:

Studies have produced evidence that stress levels are reduced by the presence of trees and even improve productivity among office workers.

### Green Heroes:

Mr. Prahlad Patidar, Mr. Anil Pareek, Mr. Binoy Kalaria, Mr. Jayant Naik, Mr. Vipin Sharma, Mr. Bisen Vivek, Mr. Nitesh Pareek and Mr. Harshit Chouhan

## Green volunteering of team CGPL!

On the occasion of World Environment Day, Team CGPL planted 100 fruit bearing trees at site and took a pledge to take care of trees. The area around saplings was protected by fence made from scrap material pipes and chain-link.

### Kudos to Green Heroes!

#### Benefits:

1. Savings of Rs 6.92 Lakhs.
2. It will reduce apprx. 5 Metric tonnes of Carbon dioxide in 20 years.

### Green Heroes :

Dr. I N Rao, Mr. Milind Rawal, Mr. Santosh Tripathi and Mr. Tejas Khadse

## Green Parivar

### Reusing scrap to conserve water and birds!

Mr. Rakesh Bhut from CGPL with the help of his family reused waste pipe caps to collect waste water from sapling pots. He also used it to keep water for birds in summer.

### Kudos to Green Heroes!

#### Benefits:

1. Saving water
2. Reusing scrap

#### Green Heroes :

Rakesh Bhut, Hetal Bhut, Ameer Bhut and Dipal Bhut.
