

Green Heroes of the month

July 2018 - part 02

Paper saving by digitalizing complaint management system!

Team DNMG used to write down customer complains on a paper. After attending complaint, Team used to fill consumer feedback Form in a hard copy format.

To avoid wastage of paper, DNMG team developed a new mobile GIS based system (maRC). Now, complaints are delivered to the team digitally on their GIS enabled tablets and the system also captures consumer feedback form digitally completely eliminating use of paper.

Great work by our Green Heroes!

Benefits:

1. Saving of more than 15000 papers which saves approx. 362.87 kg of wood, 732.67 Kwh of energy, 8100 Litre of water and 408 Litre of fuel.
2. Reducing greenhouse gases (816.46 Kg CO2 equiv.)

Green Heroes:

**Mr. Gajanan Kale, Mr. Shriram Modak, Mr. P P Tendulkar,
Mr. Rakesh Kadu, Mr. Subashish Mohanty and Mr. Mahesh Yadav**

Bicycle commuting!

TPSSL employees, Mr. Krishna Prasad & Mr. Murali S use bicycle to commute from home to a place of work. They travel approx. 21 Km distance every day.

Great work by our Green Heroes!

Benefits:

1. Reducing use of natural resources like fuel.
2. Reducing carbon emissions

Green Heroes:

Mr. Krishna Prasad and Mr. Murali S

Reusing scrap!

WREL-AP30MW O&M Technicians made 2 nos of revolving chairs from old and damaged chairs.

Great work!

Benefits:

Reducing waste, i.e. diverting waste from landfill.

Green Heroes:

Mr. Y Indrasena Reddy, Mr. S Mahamad Rafi and Mr. R Manoj Kumar Reddy

Green Heroes from Khopoli Power House!

Team MMD of Khopoli Power Division used a waste material like Suitcase & Wooden Blocks to make proper arrangement for the Pelton Turbine Bucket templates which were kept earlier in carton box.

Great work!

Benefits:

- 1) Reuse of Scrap
- 2) Saving Material cost (Cost for fabricating new shelf or rack)
- 3) Proper Segregation of material, improvement in cleanliness & 5S.
- 4) Better safety

Green Heroes:

**Mr. Nilesh Mahale, Mr. Shailesh Yewale,
Mr. Anant S Sawant and Mr. Dagadu K Dhumane.**

Plantation drive at west port (ECHS)-CGPL

Team CGPL planted more than 120 saplings at external coal handling plant (west port).

Kudos to Green Heroes!

Benefits:

Trees sequester carbon, helping to remove carbon dioxide and other greenhouse gases from the air, which cools the earth.

Green Heroes:
Mr. Tushar N. Tripathi and Mr. Dhiraj Vigora

Green Volunteering by team Corporate Affairs!

Team Corporate Affairs -Mumbai MO, participated in the tree plantation drive at Lonavala. They volunteered for 2 hours and planted 25 trees near the Environment Centre.

Great work!

Benefits:

Trees reduce the amount of storm water runoff, which reduces erosion and pollution in our waterways and may reduce the effects of flooding. Many species of wildlife depend on trees for habitat.

Green Heroes:

**Mr Sunil Dalvi, Mr Arun Puranik,
Mr Manan Singhal and Ms. Prajakta Wadke**

Saving baby bird!

Mr. Kiran Gawade from CGPL saved a baby bird fallen from its nest. He fed the bird and kept it back in the nest. He made some arrangements to support the nest.

Kudos to the Green Hero!

Benefits:

Many birds are important in plant reproduction through their services as pollinators or seed dispersers.

Green Heroes:

**Mr. Kiran Gawade, Mr. Vibhor Goel and
Mr. Shubhanand Tiwari**

Being Kind to the other Kind!

Ash Management Team of Jojobera rescued some fishes trapped in ash filled pond and released them in clear pond.
Great Work!

Benefits:

Fishes are important to our environment because they are a part of the natural ecosystem and food chain. They also provide huge ecological, cultural and economic values through food fisheries, recreational fisheries and commercial fisheries.

Green Heroes:

**Mr. Saheb Tiwary, Mr. Shekhar Mukherjee
and Mr. N.K.Singh**

Reusing Waste water from RO Purifiers!

Team BORL has been utilising waste water from RO purifier unit for dry plants outside the office, car washing and flushing toilets

Great work!

Benefits:

Water recycling can decrease diversion of freshwater from sensitive ecosystems. Plants, wildlife, and fish depend on sufficient water flows to their habitats to live and reproduce.

•**Green Heroes:**

**Mr. Pawan Khetan, Mr. Amit Kumar
and Mr. Durgesh**
