

## Receiving Station's Rain Water Harvesting Project!

Team Mankhurd carried out Rain Water Harvesting works under Sustainability initiative at Mankhurd, Parel, Saki and Powai in FY-21. At Mankhurd, team planned to use Rain water of about 345 M3 in which Emulsifier Tank capacity is 225 KL (225 M3) and there will be rain water usage of 120 M3 (12 tankers in 6 Months & 10 KL Capacity).

**Great work!**

### Benefits:

1. Water savings
2. Cost of 1 M3 Raw water is Rs. 250/- Thus saving of Rs. 86000/- is envisaged per year at Mankhurd R/s

**Green heroes:**

Vivek Patekar, Mahesh Raut and Dipakchandra Mehta

## Rescue of crow..!

Team DNMG North Zone rescued a crow which was entangled in the thread of kite at Mira Road DSS. They fed water to the bird and gave some first-aid.

After recovery the bird was released in the natural habitat.

### Great work!

### Benefits:

Crows play vital role in waste management by consuming tons of waste every year, preventing spread of diseases and bad odour.

### Green heroes:

Mr. P.P. Tendulkar, Mr. Amit Dalvi, Mr Sagar Jolli, Mr. Rohit Bamgude, Mr. Rameshwar Pawar, Mr.Suraj Rathod

## Pigeon rescue!

On 18th April, Mr. Hiren Chauhan from Trombay team, noticed a pair of pigeon entangled in a string and struggling for release in the open area of his resident building. At the same time a rat also came and started biting the pigeon. He immediatly rushed to the spot and removed the string and rescued the pigeon.

**Good work!**

### Benefits:

Mr. Chauhan has contributed in conserving our planet by saving the surrounding wildlife through his awareness!

**Green hero:**  
Hiren Chauhan
