The e-waste collection drive has been arranged at the following locations:  
Bombay House, Carnac, Dharavi, Chembur, Vikhroli, Mankhurd, Mahalaxmi, Parel, Trombay, Borivali, Kalyan, Powai, SED, Technopolis, Backbay & TPSSL, Bangalore.

Do take advantage of this provision and come forward to submit your e-wastes at your respective locations!

This Earth day, Tata Power joined hands with Tata CliQ and Karo Sambhav, a tech-enabled, environmentally beneficial and socially responsible e-waste Producer Responsibility Organisation (PRO) for responsible management of our e-waste, and launched an e-waste collection drive. It is an attempt in helping India solve its electronic waste issue.

Posters and e-waste collection boxes have been put up at the common places across all the Mumbai locations, (Bombay house, carnac, Dharavi, Chembur, Vikhroli, Mankhurd, Mahalaxmi, Parel, trombay, Borivali, Kalyan, Powai, SED, Technopolis, Backbay and also at TPSSL and TPDDL), to enable our employees to submit their e-waste.

E-waste collection drive was ongoing for this entire week, and a count of 75 has been received so far from the Mumbai locations. A facility of home pick up for enabling employees to dispose any large e-wastes has also been provided.
