

Commitment towards biodiversity conservation

Tata Power has always been the front runner when it comes to nurturing sustainability and conserving environment. Be it conserving the golden mahseer or preserving wildlife in the vicinity voluntarily, conservation of ecosystems and the species within them has always been the efforts of Tata Powerites.

Recently, an endangered species of barking deer was rescued at the Saimal Colony, Khopoli. The deer was found trapped in the area between the chain link fencing. It was rescued & treated for minor injuries by staff & their families with help of forest department.

Initiative by:

1. **Mr JK Rana** – Security Officer, Khopoli
2. **Mr Maruti Chavan** – Security Supervisor
3. **Staff from forest dept**
4. **Mrs Paranjpe** – wife of Mr MD Paranjpe

In another incident a kitten was saved and recovered from Trombay, Station-A Building which had accidentally slid inside the false ceiling near QAI & T Dept record room. The kitten is being fed & raised by the Trombay team now.

Green Quotient
