**Suryakant Jadhav, Trombay**

We celebrated Ganestotsav this year with eco-friendly idol and decoration. We displayed Banyan tree and Solar panel decoration with environment awareness slogans.

**TP-WREL Anjar-Gujarat Site**

Team of Anjar-Gujarat Site brought eco-friendly Ganesh idol which doesn't contain any chemical colour and POP. They also did visarjan of idol in eco-friendly way and planted a Coconut tree in the place.

**Kiran Desale, Trombay**

We celebrated our Green Ganeshotsav with beautiful idol of clay ( Pen cha maticha Gnapati). We did decoration without usinh plastic , ther-mocol. We also won prize for our Ganesh decoration in Tata Colony.

**Rama Chandra Reddy Butcha, haldia**

"We celebrate a festival for a good cause. We use clay idol for puja. It will save our environment from harmful chemical likes plaster of Paris and reduces the water contamination."

### **Shruti Marathe, Quality Assurance and Inspection**

"I worshipped ecofriendly Ganesha idol during the Ganesh Chaturthi festival. Idol was immersed in a drum and the muddy water was used to water plants in the garden."

### **Dharavi colony**

The idol was made of clay. Decoration of Ganesh idol was done using clay, waste material boxes and paper. Immersion of Ganesh was also in an eco-friendly manner.
